Mr Naomichi Hirano
President
Japan Community of QLD
PO Box 4031
ASHMORE QLD 4214

Dear Mr Hirano

It is with great pleasure I support the ambitious endeavours of the Japan Community of Queensland.

The Japanese community in Queensland has swelled in recent years and the organisation encourages the celebration of culture and education in a vibrant family-friendly environment.

The organisation has noble and genuine intentions for the community, striving to bring together people from all backgrounds.

I am informed JCC will promote the importance of a close bilateral relationship, both economically and culturally.

The ties between our nations are increasingly strengthened by trade and tourism, and I support the development and promotion of these important industries.

I am pleased to be a Member of the Japanese Community of Queensland and I wholeheartedly support their ambitions.

Yours sincerely

The Hon Steven Ciobo MP
