INFORMATION ONLY

Dear Mr Hirano

As part of the Palaszczuk Government's commitment to address and prevent domestic and family violence, I am pleased to advise one-off funds of \$3817 have been approved to assist your organisation to deliver five sessions targeting the Japanese community to raise awareness about domestic and family violence and to produce help cards in Japanese for distribution to businesses, Japanese supermarkets and Japanese schools.

The campaign and activities are to be delivered during Domestic and Family Violence Prevention Month in May 2019.

The Domestic and Family Violence Prevention Month grants support and complement the government's ongoing actions to put an end to domestic and family violence in our state.

Through this funding, we will empower more communities to work together and speak out against domestic and family violence.

Officers from the Department of Child Safety, Youth and Women will be in contact with you about the requirements for funding.

In the meantime, please do not hesitate to contact Ms Sue Coxon, Manager, Violence Prevention Commissioning Team, Department of Child Safety, Youth and Women on 3097 6101 should you have any questions.

Thank you for your ongoing commitment to making a difference in your community. I wish you every success with your activities in May 2019 and look forward to hearing the outcomes of your event as we continue to work together to prevent domestic and family violence.

Yours sincerely

Di Farmer MP
